

Department International Symposium

-The department organized its first international symposium on **December 7, 2022**, titled; **Neurological and Psychiatric Disorders: Volatile Oils as Adjuvant Therapy**. The vision behind the symposium was to establish it as a leading Arab African event focused on natural products and their role in drug development. The event featured various topics presented by professors from local and international universities and included the honoring of the winning students from the 9th VOG.

- The 2nd international symposium took place on **November 29, 2023** under the title; **Skin care from duty to beauty: Back to nature makes the future**. This symposium included diverse topics presented by professors from local and international universities, along with the recognition of the winning students from the 10th VOG. Additionally, it celebrated the research team that produced the best essential oil research for the year 2022/2023.

- The 3rd international symposium was held on **November 26, 2024** under the title; **Unveil the therapeutic power of essential oil: A natural approach for dental disease**. This symposium also featured a range of topics presented by professors from local and international universities. It included a collaboration with faculty members from the Faculty of Dentistry at Ain Shams University. It recognized the winning students from the 11th VOG and celebrated the research team with the best essential oil research for the year 2023/2024.

نظم قسم العقاقير أول ندواته العلمية الدولية في ٧ ديسمبر ٢٠٢٢، بعنوان: الاضطرابات العصبية والنفسية: واستخدام الزيوت العطرية كعلاج مساعد. كانت الرؤية وراء الندوة هي ترسيخها كفعالية عربية أفريقية رائدة تركز على المنتجات الطبيعية ودورها في تطوير الأدوية. ثم عُقدت الندوة الدولية الثانية لقسم العقاقير في ٢٩ نوفمبر ٢٠٢٣ تحت عنوان: العناية بالبشرة من الواجب إلى الجمال: العودة إلى الطبيعة تصنع المستقبل. تضمنت الفعاليات تكريم الطلاب الفائزين في معرض الزيوت العطرية التاسع والعاشر على التوالي. وتضمنت موضوعات مختلفة قدمها أساتذة من جامعات محلية وعالمية. وبداية من عام ٢٠٢٣ بدأت الندوة الاحتفال بالفريق البحثي الذي أنتج أفضل بحث في مجال الزيوت العطرية لهذا العام.

-عقدت الندوة الدولية الثالثة لقسم العقاقير في ٢٦ نوفمبر ٢٠٢٤ تحت عنوان؛ كشف النقاب عن القوة العلاجية للزيوت العطرية: نهج طبيعي لأمراض الأسنان. ، تضمنت الندوة لأول مرة تعاونًا مع أعضاء هيئة التدريس من كلية طب الأسنان بجامعة عين شمس. كما تم تكريم الطلاب الفائزين في معرض الزيوت العطرية الحادي عشر، وتكريم الفريق البحثي الفائز بأفضل بحث في مجال الزيوت العطرية لعام ٢٠٢٣/٢٠٢٤.
